

## **We are moving from Depågatan to new premises!**

Dear customer,

From Monday 1st November we will be at Makadamgatan 11, just a stone's throw from our present location.

Our new visiting and delivery address from 1st November will be:

**Lundgrens Sverige AB**  
**Makadamgatan 11**  
**254 64 Helsingborg**

Please note that this change of address only concerns Lundgrens Helsingborg, Lundgrens other locations are not affected.

All contact details such as telephone numbers and e mail addresses for Lundgrens Helsingborg however remain unchanged.

We are moving into a new and tailor-made facility with 1900m<sup>2</sup> of office, warehouse and workshop area to meet your requirements in the most effective way.

We will do everything we can to meet your wishes during the period we move but would like if you could schedule your purchases for delivery and pickup in v42 and v44. Our other units within Lundgrens will of course also be helpful during this period.
